September 14, 2011

Dear Members of the Class of 2012 and Parents/Guardians:

We would like to remind you about several important items that seniors should be considering at this time. While senior year is a very exciting time, it is obviously a very busy one as well. For that reason, students need to visit the Counseling Office frequently and listen to the announcements in order to become aware of any special topics (i.e., college representatives, testing dates, scholarships) that may personally interest them. We will be scheduling appointments with every senior to verify graduation requirements and discuss future plans. Many seniors may be working on applications for either colleges or other post-secondary institutions. In order to facilitate the processing of these applications, we are enclosing a copy of the guidelines needed to complete the application process.

Lewisburg Area High School is now offering the SAT's on most testing dates and the ACT's in October and April. We have enclosed a copy of the dates and deadlines for your information. The fastest way to register for the SAT's is on-line at www.collegeboard.com and for the ACT's at www.act.org. We do, however, have registration booklets and practice tests for SAT's and Subject Tests available in the Guidance Office. We also have practice materials for the ACT.

We have also enclosed a copy of the educational institutions that have tentatively agreed to attend College Night at Bucknell University on October 10, 2011. The fair will be held from 6:30 to 8:00 p.m. in the Gerhard Field House. Updates to the list will be distributed closer to the date.

Also, enclosed in this mailing are the 2010-2011 PSSA results. Please make note that students who have not reached a level of proficient or advanced on the any section of the PSSA will need to take the corresponding section of the PSSA retest this fall. The testing window for PSSA retest is October 24th – November 4th, 2011.

We wish all seniors much success in the coming year and encourage students to keep us informed about their future plans. We are available to answer questions or address any concerns that you may have. Please avail yourselves of the many resources that we have in the Counseling Office.

Sincerely,

Vicki S. Fennell
School Counselor
